1

To start your
quest, where the
stockings hang
with care, look for
the first clue to
find a special gift
somewhere.

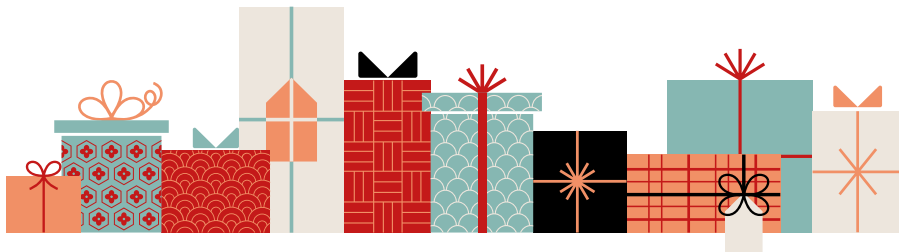

2

Beneath the
twinkling lights,
where gifts gather
near, your next
clue awaits, so
have no fear.

3

Brrr it's cold
outside, a clue is
close at hand.
Check the place
where coats and
jackets stand.

4

Where family
gathers, eats, and
shares delight, find
your next clue in
this room's soft
light.

5

In the heart of the
home where meals
are prepared, your
next clue can be
found, but be
aware!

6

Open the door
that keeps food
chilled; your clue
is hiding where
milk and juice are
sealed.

7

Refresh and clean
up; don't make a
fuss. Look for the
clue near where
you brush.

8

After a day of
cheer, it's time to
rest and dream.
Find your next clue
where you lay your
head, it seems.

9

Among clothes
and shoes, your
next clue hides.
Check where you
store your outfits
with pride.

10

Congratulations, you've
made it through! Now bundle
up tight, for your final clue is
in plain sight.

Follow the path where the
snow may glisten, to find
your gift, you'll have to listen.
